

Turn key solutions for Compressed Air, Oxygen, Nitrogen  
Also for Cooling & Drying requirements....

**SUPERCHILLERS PRIVATE LIMITED**

Turn – Key solutions for HVAC , Clean Rooms, Industrial  
Process Cooling Requirements ....

---

## Organization

### **INDMARK,**

Indmark, founded in 1985 . Head Quartered at Mumbai, (India). Started with a view to provide complete range of products and solutions for wide ranging requirements in the field of plant Utilities such as Compressed air, Nitrogen, Oxygen, Cooling water, etc.

Today, we are one of the leading company that provides total turn-key solutions and offer products and services for any kind of customer requirement in the field of Compressed air generation, Storage, Compressed Air Preparation (drying, filtering) and Compressed Air Distribution and the same services for Nitrogen, Oxygen, Cooling water, etc.

We provide products that meet expectations for Performance, Availability, Price and offer Product support that makes easy to Select, Install, Operate and Service the products. Our mission is to maintain customers trust by anticipating their divergent needs and delighting them with our ability to constantly provide a rapid response to their needs.

#### **International Business partners:**

- HERTZ KOMPRESSOREN, GERMANY
- DELAIR FILTRATION AND DRYING B.V.The Netherlands.
- SPX FLAIR CORPORATION USA
- AIRSEP CORPORATION USA
- PARKER NNI INTERNATIONAL USA

## **SUPERCHILLERS :**

SUPERCHILLERS, associate company of indmark was founded in 1987 with an objective to provide specialized products and services on turn key basis in the field of HVAC, Air conditioning for CLEAN ROOMS and Industrial Process Cooling requirements.

Custom designed CLEAN ROOM for Pharmaceutical formulation plants, Hospital Operation theaters, and food-processing plants makes us stand out from competition.

We also provide tailor made critical process cooling requirements for petrochemicals, chemicals & detergents, refineries, pharmaceuticals, Aviation, foods & Beverages and Power plants, etc.

Technical Business Partners:

1. Refrigeration Resources Inc, USA.

We have technical collaboration with Refrigeration Resources Inc, which is one of the leading company providing products and services in the field of low temperature cooling requirements and high capacity range.

We have dedicated team of engineers and professionals to look into each specific requirement and understand the applications in totality before designing of the systems.

Objective is to maintain customers trust by anticipating their divergent needs and provide energy efficient, best performing and cost effective products and solutions.

**Mr.Ravi Athanikar - B E (Electrical)**

**Mumbai University**

Marketing Director

Mr.Athanikar - senior partner, and engineering graduate from Mumbai University in 1973.

He has about 25 years of working experience in Compressed air and Air-conditioning business

He was branch Manager with Ingersoll-Rand India Ltd for Mumbai Branch and worked in various organizational areas such as Marketing, Finance and Administration.

Since last 15 years he is been looking into overall growth of this group and devising policies and strategies to develop and explore new market segments.

Mr. Sanjiv Kamat - B Tech (Chemical)

IIT -Mumbai.

DITM (NMIMS)

Technical director

Mr. Sanjiv Kamat – an associate partner and engineering graduate from one of India's premier

technical institute, IIT- Mumbai. (1981) . Post Graduate in International Business Mgmt.

Member-

Indian Society of Heating, Refrigerating and air conditioning Engineers.(ISHRAE) Indian

Institute of technology Alumni

He has worked for Ingersoll-Rand India, Mumbai during 1981-87 in Design department and has

experience in designing process compressors and gas compressors.

Since past 15 years, he is been the guiding force for our technical and designing team and monitoring

our engineering success into providing technical and cost/energy effective solutions for various industrial cooling applications and air conditioning applications.

## Product Line - Indmark

### ➤ Compressed Air:

All types of Air Compressors

- Oil-Injected Screw
- Direct Drive Screw
- VFD Drive Screw
- Oil-Free Screw
- Booster Compressors

### ➤ Compressed Air Dryers

- Refrigerated Air dryer
- Heatless Air Dryer

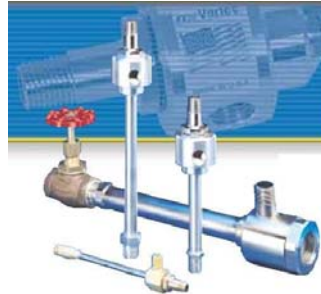

### ➤ Oxygen Generators

- Nitrogen Generators
- CO2 Dryers
- Gas Dryers

➤ **Cooling Solutions**

- **Vortex Tube**  
100 to 6000 BTUH  
2 CFM to 100 CFM

**Cold Air Gun**

900 to 2500 BTUH  
SCFM to SCFM

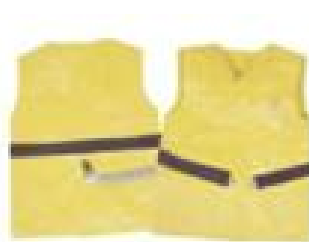

- **Vortex Panel Cooler**  
400 to 5000 BTUH  
8 SCFm to 70 SCFM

- **Energy Saving Nozzles**

**Vortex Cooling jackets**

## **Product Line - Superchillers**

### **Water Chillers:**

With Reciprocating compressor

Chillers -Mini (0.5 to 5 TR)

Chillers -Medium (5-30TR)

Chillers -Large (10 to 125 TR)

With rotary compressor

60 TR to 1000 TR

With Centrifugal Compressor

1000 TR and above

TES (Cryogel - (Design & installation)

### **Brine Chillers:**

- Up to (-) 65 Deg C
- 0.5 Tr to 1000 TR
  
- Cooling Towers
  - Induced Draft
  - Forced Draft
- Concrete Towers

## Special Services:

- Turn Key Project contract for
  - Compressed Air Generation & distribution
  - Nitrogen Generation & Distribution
  - Oxygen Generation and distribution
  - Cooling water Generation & Distribution.
  - Chilled water generation & Distribution.

Distribution.

- Design and detailed engineering for
  - HVAC Projects & TES System.
  - Air conditioning for CLEAN ROOM
  - Plant Utilities
    - Compressed Air
    - Oxygen
    - Nitrogen
    - Cooling Tower

Specification Preparation for various equipments.

Providing Project Estimation

Execution and supervision of turn-key projects

Documentation and Validation

Business Partners:

5 HERTZ KOMPRESSOREN GERMANY

- Air Compressors & Accessories

5 FLAIR CORPORATION USA

5 DELAIR FILTRATION & DRYING B.V.

5 SPX Flair CORPORATION

- Compressed air Dryers & Filters
- Gas Dryers
- Pressure Vessels Etc

5 Marley Cooling Technologies USA

- Cooling Towers
- Flow control Accessories

5 AIRSEP CORPORATION USA

- Oxygen Generators & Filling stations

5 PARKER NNI INTERNATIONAL USA

- Nitrogen Generators
- Nitrogen Filling Stations

## **Customer Support:**

Factory trained service team provides prompt and timely service.

Providing most comprehensive service support to our customers all over India.

To provide better product performance, we conduct product operation and maintenance seminars for each customer immediately after commissioning of the systems.

We have set up localized service centers at remote project centers/customers at remote places so that they get timely product support effectively.

## **Applications :**

- Aeromatic Industry
- Automobile
- Air conditioning Industry
- Aviation Industry
- Beverages Industry
- Bio-Technology Industry
- Breathing Air
- Breweries
- Computer Industry
- Cement
- Chemical
- Chip and Optical Fibre
- Cable
- Compact Discs, CD-ROM, DVD Industry
- Control and Instrumentation
- Dairies
- Diamond
- Electronics
- Food Industry
- Fertilizers
- Farm equipments
- General Machinery
- Glass Industry
- Hospitals
- Jewellery
- Laser Cutting applications
- Packaging
- Paint manufacturing
- Paint shops
- Plastics
- Blow molding
- Extrusion
- Injection

## **Applications :**

- Pharmaceutical
- Photo
- Powder Coating
- Pneumatic Conveying
- Power Plants
- Petrochemicals
- Refineries
- Research and development
- Sand Blasting
- Storage and transportation
- Textile Industry

And many more...

## **Customers:**

- Hindustan Lever Limited
- Coca Cola India Limited
- Atco HealthCare Limited
- Pepsi Foods Ltd
- Godrej Ltd
- Godrej Foods Ltd
- Essel Propack Limited
- Colgate Palmolive Ltd
- Zandu Pharmaceuticals
- J L Morrison Ltd
- Mahindra & Mahindra Ltd
- L& T Ltd
- Siemens Ltd
- Jet Speed Audio Pvt Ltd
- Air India
- Indian Air lines
- Asian Paints
- Raymond Steels
- Gujarat Glass Ltd
- Alfa laval India Limited
- Sulzer India Limited
- Huskey
- Sidel India Ltd
- Hindustan Aeronautical Limited
- Cadbury
